Soy-Powerful!
Non-toxic
Biodegradable

The Wall Street Journal
6/21/07

CBS 47 Fresno, CA

Patrol Corporal Gregory Austin
Blackfoot, ID Police Dept.

Tested by NABIL Research
Laboratory

- Non-toxic
- Non-flammable
- No toxic fumes or vapors
- Soy-based
- Non-abrasive
- Safe around kids and pets

A collection of various SwiClean cleaning products, including bottles of BioSOY, All Purpose Cleaner, Point Stripper, Dry-Phase Based Cleaner & Restorer, Pine-Strant and Lubricant, and BBQ Grill Cleaner, displayed on a yellow background with green borders.

- Certified bio-based
- Biodegradable
- Free of hazardous chemicals

Reduces the need for petroleum-based products, by replacing them with products made using a renewable resource...
American-grown soybeans!

The replacement for toxic products!

SOLVENTS:

- GRAFFITI REMOVER
- PAINT STRIPPER
- ADHESIVE AND MASTIC REMOVER

Get industrial strength jobs done safely and without harsh, toxic fumes. Remove almost everything including spray paint, lead-based paint, black mastic, ink and permanent marker from just about any surface. Because they don't immediately evaporate like high VOC, petroleum-based strippers, they can penetrate and remove multiple layers with just one application.

FLUIDS AND OILS:

- BIO SOY ALL SEASON HYDRAULIC FLUID
- ELEVATOR HYDRAULIC FLUID
- UNIVERSAL TRACTOR FLUID
- FOOD GRADE HYDRAULIC FLUID
- NU CUT PLUS CUTTING OIL
- TAPPING FLUID
- DUST CONTROL SUPPRESSANT
- R-40 FORMING FLUID
- XXL PLUS COOLANT
- DIESEL FUEL ADDITIVE

Protect the bottom line while you protect the environment and your company's image. Minimize costly and time-consuming spill clean-up costs by using our non-hazardous, non-toxic, biodegradable fluids and oils. Very high oleic and low linoleic soy oil provides high oxidative stability (OSI > 450 hours). So feed your machines with our fluids and oils and see the benefits immediately. Higher lubricity means machines will run faster with less heat and wear, resulting in reduced maintenance costs. Soy-based oils have no harsh fumes and lead to less irritation making them much healthier and pleasant for the machine operator.

SEALERS:

- SOYSEAL WOOD SEALER
- SOYSEAL CONCRETE SEALER
- SOYGUARD PREMIUM WOOD SEALER
- SOYGUARD STAIN AND SEALER

With an easy, one-coat application every two years, these penetrating sealers and stains repel water better than their petroleum-based, toxic competitors. Proven to protect against swelling, warping, cracking or any damage to wood or concrete caused by exposure to water, they're perfect for your family deck, patio, fence, dock, wood siding, or any outdoor wood or concrete surface.

CLEANERS:

- BBQ GRILL CLEANER
- HEAVY DUTY DEGREASER
- ALL PURPOSE CLEANER
- BATHROOM, TUB AND TILE CLEANER
- KITCHEN CLEANER AND DEGREASER
- CLINGING TOILET BOWL CLEANER
- HEAVY DUTY HAND CLEANER
- DRY- ERASE BOARD CLEANER
- DRIVEWAY, SIDEWALK AND PATIO CLEANER

Made from soy and other natural ingredients, these products have your cleaning needs covered - from the oil stains in your driveway to the burnt on food in your oven. Clean every corner of your home or business without inhaling toxic fumes. The natural ingredients in these products make them non-toxic, non-carcinogenic and biodegradable. Not only are they safe, but you'll also find they are as effective, if not more effective, than the leading toxic competitor. Take advantage of the opportunity to replace all of your toxic cleaners with ones that are safe to use around the people you care about.

LUBRICANTS AND GREASES:

- PENETRANT AND LUBRICANT
- 5TH WHEEL LUBE PASTE
- EP+ SOYGREASE
- MULTI-PURPOSE GEAR LUBRICANT
- BAR AND CHAIN LUBRICANT
- LOWER UNIT GEAR LUBRICANT

Lengthen the life of every machine or piece of equipment you own. Loosen frozen nuts and bolts, gears, chains, power tools, sprockets and cables. NABL Research Testing found that SoyClean Penetrant and Lubricant outperformed WD-40 in lubricity. Like all products we offer, our greases and lubricants are non-toxic and biodegradable. We're confident you'll find that nothing lubricates like soy!

RELEASE AGENTS:

- ASPHALT RELEASE CONCENTRATE
- SOY RELEASE 3
- SOY FORM RELEASE
- NATURAL FORM OIL

Simple, safe, environmentally friendly and cost effective. Use the Asphalt Release Concentrate or Soy Release 3 in truck beds or on moving parts to keep them free of asphalt. Use the Soy Form Release or Natural Form Oil to prevent adhesion of concrete to forms. Easy application and even easier clean up. These products are the perfect replacement for diesel fuel.
